WhaleTail™
Gary Fong

The Latest Innovation to Create Studio Quality light without the studio

Reversible head

SOFTER
MORE POWER

The first flash diffuser ever with 2 sides:
curve forward = more power
flaps forward = more softness

Includes a FREE instructional DVD
with a live model shoot featuring
Gary Fong and Bob Davis

Coloured gel tray!

Simply slide in a gel for creativity

This is the only diffuser anywhere ...

- with the amazing rapid-mount grip
- two different sides for power or softness
- coloured gel tray
- interchangeable 'barn door' deflector flaps
- rear direction bounce
- that comes with an instructional DVD

All models available for **immediate shipping** within 24 hours
